

What We Can Do For You

Giving An Answer is dedicated to educating a fallen world to the truth of Christianity. It is Christ and Christ alone who not only has the truth, but He Himself is the truth. If your group or organization is interested in learning about the evidence of Christianity, contact us. Harold will personally come and give solid answers to the questions people are asking.

Talks are available on the evidence for the Resurrection, biblical inerrancy, proof for Christianity, and reliability of the New Testament. Harold also teaches on other religions, cults, and worldviews. Presentations can be tailored to a particular audience.

About The Ministry

Ministry Purpose

The purpose of **Giving An Answer** is to demonstrate to an unbelieving world that Christianity is *the* true Faith, and that *the* true Faith is based on sound evidence. The ministry equips Christians with solid answers to tough questions. As a result, Christians are both built up in their own faith and better able articulate the truth and win others to Christ.

Nature of the Ministry

Giving An Answer ministers to the needs of the community through both television and radio. The radio show currently airs on 1240 AM in the Charlotte/Mecklenburg county area and 1150 AM in the Fort Mill and Rock Hill, South Carolina areas. It reaches a potential audience of over 1,000,000. The TV show airs on local cable access in Mecklenburg county NC and reaches a potential audience of 350,000 people. In addition to radio and TV, this ministry goes directly to the people through speaking opportunities.

Need

The need for apologetics (defense of the faith) has never been greater. It is especially important for our youth who struggle against the anti-Christian culture in which they live. Christians of all ages need to be able to discern false teachings, to answer questions about their beliefs, and to evangelize a skeptical world.

Solution

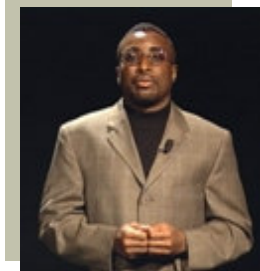

Giving An Answer provides these answers to churches, schools, and other organizations with abundant evidence for the Christian faith on such areas as the historicity of the Resurrection, the Bible is the Word of God, and the God of the Bible is the True God of the universe. All of these truths are based on evidence. By giving classes, workshops, and power point presentations, **Giving An Answer** encourages and equips Christians to obey the command of the Apostle Peter to "Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have" (1 Peter 3:15).

About the Founder

Background

Harold Felder spent most of his life as an atheist. He lived a life of debauchery and alcoholism. In 1997 he was saved. He wanted to make sure his new found faith was not an emotional reaction but was rooted in fact. After extensive researching, he was surprised to find that there is an abundant amount of evidence for the Christian faith. He felt a burden to share this information with the world.

So he quit his job as a NASA Software Engineer, sold his house, and moved to Charlotte, NC where he earned a Master of Arts in Apologetics from Southern Evangelical Seminary. Upon completion of his degree, he started **Giving An Answer**, a National Heritage Foundation, as a 501 (c) (3) non-profit organization with the purpose of reaching those who are as lost as he once was, and encouraging the saints in their faith.

Harold currently resides in Charlotte, NC and attends Southern Evangelical Church, where he serves in a leadership capacity. He also speaks at conferences, church services, and special events. If you are interested in booking Harold for a speaking engagement, please contact us.
